### Tri-County Pullers Rules, Regulations and Classes

1. Tractors up to 1959 or continuous model
2. Tire Sizes: Maximum one size up or down from original
  - 0-5,500 lbs (15.5)
  - 5,501-6,000 lbs (16.9)
  - 6,001 lbs & above (open tire size)
  - Note: No cut or shaved, or radial tires
3. Tractors weighed with driver. Allowed 20 lbs over for class 1-10. Allow 50 lbs over for Classes 11-24
4. Twenty percent (20%) RPM allowance over factory settings, and must have working P.T.O.
5. Weights:
  - Max of 11 feet from center or rear axle to further most point
  - Rear weights are not to exceed past the rear wheel.
  - A 12 inch window in the center required to aid hooking and unhooking.
6. All tractors must be original in appearance. Air cleaners must be installed and working. Non-factory air filters will be allowed.
7. Tractors may pull in first or second gear only.
8. Drawbar must not exceed twenty one (21) inches in height or less than eighteen (18) inches from center or rear axle to hooking point. Stock pin hitch.
9. Pull is ended by one of the following:
  - Flagman
  - Driver does not remain seated
  - Anything falls off tractor
  - Tractor or sled gets out of the track
  - All forward motion of tractor and/or sled stops
10. First puller has the option to re-pull in the third position. First pull is void if re-pull is taken. Decision must be made before unhooking.
11. Tractor may pull once per class.
12. Tractors may pull up to three weight classes. Depending on track conditions and time allowed.
- 13. No excessive jerking of sled.**
14. Shifting of torque amplifier is allowed during pull.
15. If you contest a tractor, it must be in your class during your pull in that class. Protester must be checked first.

16. Each class will be pulled in order of register. Mechanical breakdown or weight changes will move tractor to end of class. If then unable to pull, tractor is disqualified.
17. Puller has two attempts to make a pull. Any distance over 25 feet will be counted as a valid pull.
18. Track judges or committee members of Tri-County Pullers has the right to disqualify any tractor. Their decision will be final.
19. There will be at least a 50% payback or more instead of trophy.
20. Sled operator hook man, flagger, weigh master make up track committee and reserves the right to protest any tractor.
21. Hook fee will be \$15 per pull
22. Antique tractor can only pull in regular classes, not Top Cut Classes too.

| Class No. | Max Wt. T&D       |
|-----------|-------------------|
| 1.        | 2850              |
| 2.        | 3100 lbs          |
| 3.        | 3350 lbs          |
| 4.        | 3600 lbs          |
| 5.        | 3850 lbs          |
| 6.        | 4100 lbs.         |
| 7.        | 4350 lbs.         |
| 8.        | 4500 lbs. Top Cut |
| 9.        | 4850 lbs.         |
| 10.       | 5350 lbs.         |
| 11.       | 5500 lbs.         |
| 12.       | 5500 lbs. Top Cut |
| 13.       | 6000 lbs.         |
| 14.       | 6500 lbs.         |
