

Biography

For the past several years, The Feudin' Hillbillies have taken their unique sound all over the Midwest, opening up for the likes of Luke Bryan, Neal McCoy, Montgomery Gentry, Mark Chestnut, Tracy Lawrence, Diamond Rio, and several other artists. Our style and professionalism are unmatched.

We are THE hardest working band out there with a strict focus on raising expectations of what a live band should bring every time we take the stage! Our professionalism, entertainment quality, and production guarantees that the bar will be raised.

STYLE:

Quite a bit of country with a little pop, some classic rock and 80's favorites along with a touch of funk, will keep the crowd entertained for hours!

All songs are performed live without back tracking or loops!
